PART 2 – OPERATING A MAIN BRANCH

1 The Operator and the Branch

- 1.1 The Operator agrees to operate the Branch on behalf of Post Office Ltd in accordance with the terms of the Agreement (including for the avoidance of doubt the Manual).
- 1.2 The Agreement is a contract for services and the Operator is an agent and not an employee of Post Office Ltd. The Operator acknowledges that no relationship of employer and employee exists between Post Office Ltd and the Operator, or between Post Office Ltd and any Assistant.
- 1.3 The National Federation of Subpostmasters (the **NFSP**) is an independent members organisation supporting operators of Post Office branches across the UK and is solely acknowledged by Post Office Ltd as a representative body of operators. The NFSP is the only body with which Post Office Ltd will seek to discuss and consult on matters affecting operators, subject to any legal, regulatory or political obligations. Such discussions will take place within the existing and developing relationship framework.
- 1.4 For clarity, the Operator is permitted to provide the Products and Services from the Dedicated Post Office Counter Position(s) but not from any other location (unless otherwise agreed in advance in writing between the Parties).
- 1.5 Post Office Ltd shall provide:
 - 1.5.1 a helpline, which shall be reasonably fit for purpose, including (to the extent applicable) any or adequate error repellency, to enable the Operator to consult with Post Office Ltd about running the Branch (details of the helpline are contained within the Manual);
 - 1.5.2 the Operator with stocks of Products and documentation to use in the Branch.
- 1.6 Post Office Ltd has the right to enter into contracts or arrangements with Clients for the handling of Products or the supply of Services by the Network

(including the Branch) on such terms as Post Office Ltd considers fit. Post Office Ltd retains the discretion as to where within the Network particular products and services are offered.

- 1.7 Where the Operator is a partnership, each partner shall be jointly and severally responsible for the performance or non-performance of the Operator's obligations in the Agreement.
- 1.8 The Operator shall notify Post Office Ltd of any changes to the nature of the Basic Business (including through the addition of any new category of business), and Post Office Ltd may, subject to clause 16.6 of this Part 2, terminate the Agreement on not less than 1 months' notice, provided that Post Office Ltd shall conscientiously consider what the period of notice should be, or immediately, if Post Office Ltd reasonably regards such change as bringing Post Office Ltd and/or the Branch and/or its business into disrepute.

2 Assistants and Training

- 2.1 The Operator shall ensure at all times that only Assistants have any access to or involvement with the Branch and Post Office Ltd's information systems, but this shall not restrict any access by Post Office Ltd and/or its authorised representatives to the Branch and Post Office Ltd's information systems.
- 2.2 The Operator shall comply with the Manual regarding obtaining Post Office Ltd's approval of prospective Assistants and shall also cooperate fully in any ongoing periodic checks of Assistants required by Post Office Ltd during the Term.

 - 2.3.1 initially train all of the first Manager(s) and certain of the Assistants in the operation of the System and initial sales training, and the Parties shall co-operate in respect of the training of Assistants in the operation of Horizon. The number and identity of such personnel to receive the training shall be determined by Post Office Ltd in consultation with the Operator. The training will last for up to 14 days, of which six to eight days will be spent in a classroom or another offsite location, and the other six days will be spent at the Branch Premises; and
 - 2.3.2 provide Sales Model training for all of the first Manager(s) and Assistants, and the Parties shall co-operate in respect of the training of Assistants in the operation of the Sales Model training. The Sales Model training required will be delivered at any location and shall be for such duration as Post Office Ltd may reasonably determine. Post Office Ltd shall give the Operator advance notice of the training so that the Operator has a reasonable opportunity to make arrangements for the management of the Branch while the training is being undertaken.
- 2.4 The Operator shall ensure that each Manager who receives the training cascades the training to all other Assistants and to any replacement Manager(s), in order to ensure that all subsequent Managers and all other Assistants receive sufficient initial training from properly trained Managers, provided that the Operator shall only be required to train its Managers and Assistants to the same and not a higher standard than the standard of training received by the Operator from Post Office Ltd. The Operator shall further ensure that the Sales Model is fully implemented in the Branch.

- 2.5 Post Office Ltd may require the Manager(s) and/or the Assistants to undertake further training at any reasonable location and time during the Term if Post Office Ltd:
 - 2.5.1 reasonably considers such training to be essential; or
 - 2.5.2 wishes to train them in new and improved techniques which have been devised and which the Operator will be required to use in operating the System.
- 2.6 The Operator shall ensure that such Manager(s) and Assistants attend the training provided by Post Office Ltd under clauses 0 and 2.5.
- 2.7 Any failure by the Operator to comply with its obligations pursuant to this clause 2 shall be deemed to be a material breach of the Agreement and any failure by the Operator to comply with clause 2.2 only shall be deemed to be a material breach of the Agreement which cannot be remedied.
- 2.8 The Operator shall be responsible for the costs of the Manager(s) and/or Assistants attending the training referred to in clauses 0 and 2.5 (including, as appropriate, salary, travel, accommodation and subsistence), but the cost of delivering the training shall be met by Post Office Ltd.
- 2.9 The Operator shall:
 - 2.9.1 ensure that there is always a trained Manager and/or sufficient trained and experienced Assistants to operate the Branch to the standards required by Post Office Ltd and to meet the demand for the Products and Services, provided that the Operator shall only be required to train its Managers and Assistants to the same and not a higher standard than the standard of training received by the Operator from Post Office Ltd;
 - 2.9.2 ensure that all Assistants understand that they are employees of the Operator, not Post Office Ltd;
 - 2.9.3 ensure that all Assistants comply with Post Office Ltd's reasonable instructions regarding standards of appearance, behaviour and skill;
 - 2.9.4 ensure that, unless otherwise agreed in writing with Post Office Ltd, all Managers and Assistants shall wear career wear, when working in the Branch. All career wear shall be obtainable by the Operator, at its own cost, from Post Office Ltd or its nominated supplier;

The Operator shall take such steps at its own expense as Post Office Ltd may require in order to enforce this undertaking and/or to restrain any breach of it;
 - 2.9.7 immediately notify Post Office Ltd of any request made to the Operator, an Assistant or any other Personnel by any person for information which may be confidential (including any Official Information and/or Personal Data) or any request for information under the Freedom of Information Act 2000 relating to the Branch, Post Office Ltd, the Agreement or any related matter and shall not

comply with such a request until it has obtained Post Office Ltd's written consent to the disclosure;

- 2.9.8 if there is any allegation or evidence of fraud or dishonest conduct or criminal activity on the part of the Operator, the Manager, the Assistants, any Customers or any other person, including any practice undertaken by the Operator (or any Assistant) with a view to artificially inflating the Fees (as referred to in clause 1.4 of Part 3), the Operator shall immediately notify Post Office Ltd and co-operate fully with any investigation which may be made by Post Office Ltd's Investigation Division, the police and/or any investigator appointed by any Client;
- 2.9.9 properly complete, and ensure that the Assistants properly complete, any Compliance Training required by Post Office Ltd by the deadline(s) notified by Post Office Ltd.
- 2.10 Where the Operator has failed to comply with clause 2.9.9 in respect of the completion of the Compliance Training by the relevant deadlines, Post Office Ltd may take such steps as it considers appropriate to ensure compliance with clause 2.9.9 by the Operator, including:
 - 2.10.1 sending reminder letter(s) or other appropriate communications to the Operator, and/or the Branch/outreach service;

The Operator shall ensure that the Manager(s) and Assistants attend this training.
- 2.12 Post Office Ltd may require the Operator to pay Post Office Ltd's reasonable costs and expenses of carrying out the steps described in clauses 2.10 and 2.11, including the costs and expenses of travel, staff time and overnight accommodation where required. In all cases, these costs and expenses may either be deducted from the Fees due to the Operator under the Agreement or Post Office Ltd may invoice the Operator for them. - 15.1 Subject to clause 15.2 below, Post Office Ltd may suspend the Operator from operating the Branch (and/or, acting reasonably, require the Operator to suspend all or any of its Assistants engaged in the Branch from working in the Branch), where Post Office Ltd considers this to be necessary in the legitimate interests of Post Office Ltd as a result of:
- 15.1.1 the Operator and/or any Assistant being arrested, charged or investigated by the police or Post Office Ltd in connection with any offence or alleged offence;
 - 15.1.2 civil proceedings being brought against the Operator and/or any Assistant; or
 - 15.1.3 there being grounds to suspect that the Operator is insolvent, to suspect that the Operator has committed any material or persistent breach of the Agreement, or to suspect any irregularities or misconduct in the operation of the Branch, the Basic Business or any other Post Office® branches with which the Operator and/or any Assistant is connected (including any financial irregularities or misconduct).
- 15.2 Post Office Ltd shall not suspend the Operator from operating the Branch and/or require the Operator to suspend all or any of its Assistants engaged in the Branch from working in the Branch:
- 15.2.1 arbitrarily, irrationally or capriciously;
 - 15.2.2 without reasonable and proper cause; and/or
 - 15.2.3 in circumstances where Post Office Ltd is itself in material breach of duty in respect of the matters which Post Office Ltd considers gives it the right to suspend.

16 Termination

- 16.1 Following the Commencement Date the Agreement will continue until:

- 16.1.1 either Party gives to the other not less than 12 months' written notice (unless otherwise agreed between the Parties in writing), which cannot be given so as to expire before the first anniversary of the Start Date and provided that Post Office Ltd shall, acting in good faith and taking into account all relevant factors (but not irrelevant ones), conscientiously consider what the duration of such notice period should be; or
 - 16.1.2 it is terminated at any time in accordance with its terms.
- 16.2 In addition to any other rights of termination contained in other Parts, Post Office Ltd may terminate the Agreement immediately on giving written notice to the Operator if the Operator:
- 16.2.1 commits any material breach of the provisions of the Agreement or any other contract or arrangement between the Parties, but only if such breach is repudiatory, and fails to remedy the breach (if capable of remedy) within 14 days of a written notice from Post Office Ltd specifying the breach and requiring the same to be remedied. Any references in these Standard Conditions to a breach of a particular obligation by the Operator being deemed to be material and/or irremediable are not intended to be exhaustive and shall not prevent Post Office Ltd from exercising its rights under this clause in respect of any other breach of the Agreement which is material and/or irremediable if such breach is repudiatory;
 - 16.2.2 fails to provide the Products or Services to the standards required by Post Office Ltd as set out in the Manual, but only if such failure amounts to repudiatory breach, and fails to remedy the failure (if capable of remedy) within 14 days of a written notice from Post Office Ltd specifying the failure and requiring the same to be remedied;
 - 16.2.3 ceases to operate the Basic Business;
 - 16.2.4 prior to entering into the Agreement, provided Post Office Ltd with any false or misleading information or omits any material fact;
 - 16.2.5 is a company and an Insolvency Event occurs in respect of the Operator or its Parent Company;
 - 16.2.6 is a single director company and the director: dies; or by reason of illness or incapacity (whether mental or physical), becomes incapable of managing the Operator's affairs or becomes a patient under any mental health legislation;
 - 16.2.7 is an individual and the Operator: becomes the subject of a bankruptcy petition or order; dies; or by reason of illness or incapacity (whether mental or physical), becomes incapable of managing his own affairs or becomes a patient under any mental health legislation;
 - 16.2.8 is a partnership and the partnership is dissolved;
 - 16.2.9 or its Parent Company (where the Operator is a company) makes any arrangement or composition with its creditors or shall have a receiver (including an administrative receiver) or administrator appointed over all or any part of its assets or if the Operator or its Parent Company takes any similar action in consequence of debt;
 - 16.2.10 has failed to acquire or enter into a Valid Property Interest prior to taking up occupation of the Branch Premises;

- 16.2.11 changes the use of the Branch Premises in contravention of the terms of the Valid Property Interest;
 - 16.2.12 commits any other breach of the terms of, or the requirement to have, a Valid Property Interest and/or commits any breach of the Operator's interest in the Branch Premises being a breach of any tenancy lease or freehold interest which could give rise to the termination of that interest or which could render the Operator unable to comply with all the terms of the Agreement;
 - 16.2.13 itself, or any Manager or director of the Operator, is charged with any criminal offence (other than a Road Traffic Offence not involving imprisonment);
 - 16.2.14 challenges the validity of any of the Post Office Intellectual Property or the title of Post Office Ltd or Post Office Group to the Post Office Intellectual Property;
 - 16.2.15 fails to properly account for any money due to, or stock of, Post Office Ltd or the Clients, but only if such failure amounts to repudiatory breach;
 - 16.2.16 fails to pay any sum due to Post Office Ltd under the Agreement by the due date, but only if such failure amounts to repudiatory breach;
 - 16.2.17 fails to inform Post Office Ltd in accordance with its obligations to do so in clause 3.6.7 of this Part 2; or
 - 16.2.18 notifies Post Office Ltd in accordance with clause 3.6.7 and within a reasonable period after receipt of such notification Post Office Ltd decides, at its absolute discretion, that any actual or proposed change in the Operator's regulatory status is not acceptable to it.
- 16.3 If any Manager or Assistant does not at all times attain a standard acceptable to Post Office Ltd, and the Operator is unable or refuses to provide a substitute Manager or Assistant who does meet the standard, Post Office Ltd shall have the right upon notice in writing to the Operator to immediately terminate the Agreement.
- 16.4 If the Operator has come under the control of a person unacceptable to Post Office Ltd, Post Office Ltd may terminate the Agreement on such notice as it deems appropriate within 3 months of becoming aware of such change in control. For these purposes control means the ability to require, directly or indirectly, compliance in another person whether by the exercise of voting rights, contractual rights or otherwise.
- 16.5 The Operator shall promptly notify Post Office Ltd in writing of any circumstances which would give Post Office Ltd a right to suspend or terminate the Agreement.
- 16.6 Subject to Clause 16.7 of this Part 2, but notwithstanding any other provisions of this Agreement, Post Office Ltd shall not terminate the Agreement:
- 16.6.1 arbitrarily, irrationally or capriciously;
 - 16.6.2 without reasonable and proper cause; and/or
 - 16.6.3 in circumstances where Post Office Ltd is itself in material breach of duty in respect of the matters which Post Office Ltd considers give it the right to terminate.
- 16.7 Clause 16.6 of this Part 2 does not restrict Post Office Ltd's ability to terminate for a repudiatory breach.

17 Consequences of Termination

- 17.1 If notice to terminate the Agreement is provided by Post Office Ltd in accordance with clause 16.2, the Operator shall, if Post Office Ltd and the Operator agree in writing, continue to operate the Branch on behalf of Post Office Ltd for a period of up to three months, commencing on the date agreed between the Parties. The terms of the Agreement shall continue to apply during such period and, for the avoidance of doubt, Post Office Ltd shall continue to pay the Fees and any other amount which may be due in respect of the operation of the Branch.
- 17.2 As soon as possible following the date on which any notice to terminate the Agreement is given by either Party and until 6 months following the date of termination (or such other period as Post Office Ltd shall specify), the Operator shall prominently display at the location and in the form specified by Post Office Ltd a notice showing the address of the closest Post Office® outlets.
- 17.3 If the Operator stops operating the Branch in breach of the Agreement, the Operator shall (without prejudice to any other rights or remedies which Post Office Ltd may have under the Agreement or otherwise) reimburse Post Office Ltd in full on demand for any costs, liabilities, losses, claims, damages and expenses incurred by Post Office Ltd as a result of such breach, which may include any costs incurred in the appointment of an alternative operator to provide continuity of service to Customers in the area.
- 17.4 Immediately upon the termination of the Agreement, the Operator shall, subject to any agreement between the Operator and Post Office Ltd pursuant to clause 17.1:
- 17.4.1 stop operating the Branch;
 - 17.4.2 stop using Post Office Intellectual Property and any signs and other display or advertising matter (including Licensed Materials) indicative of Post Office Ltd or of any association with Post Office Ltd and deliver up the Licensed Materials to Post Office Ltd;
 - 17.4.3 at its own expense, deliver up to Post Office Ltd (and/or at Post Office Ltd's request, to any New Operator, Post Office Ltd's supplier or Client):
 - (a) all money due to or held in trust for Post Office Ltd and/or its Clients; and
 - (b) all stocks of the Products; and
 - (c) all such other property of Post Office Ltd as is in the Operator's possession (including, unless otherwise specified in writing by Post Office Ltd, any Post Office Ltd Equipment and the Manual), free of any cost or charge to Post Office Ltd together with any other items of Equipment marked in Appendix 1 of the Preface as being required to be returned to Post Office Ltd at the end of the Agreement. The Operator will be deemed to have transferred ownership of all such items to Post Office Ltd on the date of termination of the Agreement in consideration of the payment by Post Office Ltd of £1.00;
 - 17.4.4 where requested by Post Office Ltd, and at the Parties' equally shared expense, join with Post Office Ltd in cancelling any permitted user of Post Office Intellectual Property. If the Operator fails to do this, Post Office Ltd is irrevocably appointed the agent of the Operator with full authority to give such notice to the Registrar of Trade Marks on behalf of the Operator;

- 17.4.5 at its own expense, make changes to signs and other display or advertising matter, at the Branch Premises as Post Office Ltd shall reasonably direct to ensure that the Branch Premises no longer indicates any connection with Post Office Ltd, the Products or Services or the Network. If within 14 days of such direction the Operator fails to make any such change then Post Office Ltd may enter into the Branch Premises (without incurring any liability to the Operator) and without the consent of the Operator, make any such change at the expense of the Operator. The Operator shall pay such expenses to Post Office Ltd on demand; and
- 17.4.6 pay to Post Office Ltd all sums of money owed by the Operator to Post Office Ltd.
- 17.5 Post Office Ltd shall make safe any physical damage to the Branch Premises caused by Post Office Ltd's exercise of its rights under this clause 16.7, in particular in relation to the removal of any branding, signage and Equipment. However, the Operator shall be responsible for the costs which Post Office Ltd incurs in so doing where the Agreement has been terminated by the Operator on 12 months' notice in accordance with clause 16.1 of this Part 2 or by Post Office Ltd in accordance with clause 16.2 of this Part 2.
- 17.6 On the termination of the Agreement, the Operator shall reimburse Post Office Ltd (or, as appropriate, any New Operator) on demand in relation to any:
 - 17.6.1 Staff Liabilities incurred by Post Office Ltd (or, as appropriate, any New Operator) and resulting from or connected with the employment or engagement of any Personnel on or before the termination of the Agreement;
 - 17.6.2 reasonable costs incurred by Post Office Ltd (or, as appropriate, any New Operator) in making redundant any Assistants whose contracts of employment transfer to Post Office Ltd (or, as appropriate, any New Operator) by reason of the Transfer of Undertakings (Protection of Employment) Regulations 2006.
- 17.7 The Operator shall not during any notice period to terminate the Agreement, except with the prior written consent of Post Office Ltd:
 - 17.7.1 alter in any material respect the terms and conditions of employment of any of the Assistants engaged wholly or mainly at that time in the operation of the Branch (the **Relevant Assistants**) (including any increase in salary, wages or other emoluments (whether pursuant to a general review or otherwise) where the effect of such increase would be to increase the annual salary, wages or other emoluments of any Relevant Assistants to an annual level above the market rate paid to such personnel across the industry);
 - 17.7.2 assign any member of the Operator's staff (not already engaged in operating the Branch as an Assistant) to the operation of the Branch; or
 - 17.7.3 engage new employees as Relevant Assistants except to directly replace Relevant Assistants who have left the Operator's employment.
- 17.8 The Operator agrees that that during any notice period to terminate the Agreement it shall, subject to any applicable Data Protection Legislation and any other applicable laws, on Post Office Ltd's reasonable written request, provide to Post Office Ltd, or at Post Office Ltd's direction, a New Operator, within 2 weeks from the date such request, full written details of the identity and terms and conditions of employment of the Relevant Assistants (and any

other person who is subsequently assigned to or engaged in the operation of the Branch).

- 17.9 The Operator shall co-operate (and use all reasonable endeavours to procure co-operation from its Personnel) in the orderly transfer of employment of any Personnel whose contracts of employment transfer to any new employer by virtue of the Transfer of Undertakings (Protection of Employment) Regulations 2006.
- 17.10 The termination of the Agreement will not affect the coming into force or the continuation in force of any of its provisions which expressly or by implication are intended to come into force or continue in force on or after the termination.

18 Step-in

- 18.1 Upon termination of the Agreement by Post Office Ltd due to the Operator's default, Post Office Ltd and/or its agents and/or contractors shall, in order to provide continuity of services to Customers, have the right immediately and for a period (the **Step-in Period**) not exceeding twelve months from the date of termination, be permitted to occupy all parts of the Branch Premises as were at the time of termination used by the Operator for and/or are reasonably necessary for the purposes of operating the Branch. Post Office Ltd shall during the Step-in Period endeavour to find suitable alternative premises from which to operate a Post Office branch providing it is reasonable and practicable in the circumstances for it to do so. The Operator shall fully co-operate with Post Office Ltd and hereby irrevocably authorises Post Office Ltd to enter into possession of and use the Branch Premises and all of the facilities at the Branch Premises as were at the time of termination used by the Operator for and/or are reasonably necessary for the purposes of operating the Branch. The Operator will fully co-operate with Post Office Ltd and, subject to clause 18.2, will not levy any charges on (i) Post Office Ltd; (ii) any temporary substitute operator appointed by Post Office Ltd; (iii) any staff of such substitute operator, for any facilities or services of any nature whatsoever which it may provide or make available to Post Office Ltd under this clause or otherwise.
- 18.2 Post Office Ltd shall pay a fee to the Operator for each day of the Step-in Period. The fee will be calculated by dividing the total Fees earned in the last 12 calendar months prior to the start of the Step-in Period by 365 days (or where the Agreement is less than 12 months old, by the number of days in the calendar months from the Start Date to the date immediately prior to the beginning of the Step-in Period) and by dividing the resulting amount by 5. This fee shall be paid by Post Office Ltd to the Operator monthly in arrears. Payment may be made by Post Office Ltd deducting this fee from money due from the Operator, in accordance with clause 5.1 of Part 3 of these Standard Conditions.

19 Bribery Act 2010

- 19.1 Post Office Ltd requires all operators to be aware of their responsibilities under any applicable anti-bribery and anti-corruption legislation. The Operator shall, and shall procure that any associated person shall:
- 19.1.1 comply with all applicable laws and regulations relating to anti-bribery and anti-corruption including the Bribery Act 2010 and any codes of practice or policies issued by Post Office Ltd to the Operator from time to time during the Term;
- 19.1.2 not do anything which would constitute an offence under the Bribery Act 2010 if it had been done in the UK;

- 19.1.3 promptly report to Post Office Ltd any breach, or suspected breach of this clause, and any request or demand for any undue financial or other advantage of any kind received by the Operator in connection with the performance of the Agreement.
- 19.2 Any breach of this clause 19 by the Operator shall be deemed a material breach of the Agreement which cannot be remedied for the purposes of clause 16.2.1.
- 19.3 For the purpose of this clause 19, the meaning of associate persons and adequate procedures shall be determined in accordance with the Bribery Act 2010 (and any guidance issued under that Act) and associated persons shall include any Assistant or Personnel.

20 No transfer of the Agreement

- 20.1 The Operator shall not transfer, assign, charge, sub-contract or otherwise deal with the Agreement in any way. On termination of the Agreement, the appointment of any New Operator shall be entirely at the discretion of Post Office Ltd, acting for a proper purpose and in accordance with its duty of good faith. Post Office Ltd may, but shall not be obliged to, consider any application for the operation of a Post Office branch at the Branch Premises made by a genuine prospective purchaser of the Basic Business and the property interest at the Branch Premises, but any such prospective purchaser shall not be given preferential treatment in the application or appointment process.

21 Entire agreement and Notices to Amend

- 21.1 The Agreement constitutes the entire agreement between the Parties with respect to its subject matter. No representations or agreements, oral or otherwise, between the Parties not included within the Agreement shall be of any force or effect.
- 21.2 In addition to any other rights in the Agreement, Post Office Ltd may amend the terms of the Agreement at any time providing it has given a Notice to Amend to the Operator and to the extent that the terms of such amendments are reasonable. Notwithstanding the foregoing, Post Office Ltd reserves the right to amend the Agreement on a shorter period of notice to the Operator if such amendment is being made to comply with any statutory or regulatory requirement, and shorter notice is necessary to comply with that requirement, again to the extent that the terms of such amendments are reasonable. The Operator may, notwithstanding clause 16.1 of this Part 2, terminate the Agreement by giving 6 months' written notice to Post Office Ltd within 1 month of receipt of a Notice to Amend.

22 Notices

- 22.1 Unless otherwise specified in the Agreement, any notice to be given in respect of the Agreement shall be in writing and may be delivered personally by hand or posted by pre-paid special delivery post addressed to Post Office Ltd or the Operator as appropriate at:
 - 22.1.1 in the case of Post Office Ltd, Postmaster On-boarding Team, Post Office Ltd, Atria, Spa Road, Bolton, BL1 4AG;
 - 22.1.2 in the case of the Operator, the address for the Operator specified in the Preface,or such other address as the relevant Party may have notified to the other in writing.

23 Choice of Law and Jurisdiction

- 23.1 The Agreement shall be governed and construed according to the law of England and the Parties agree to submit to the exclusive jurisdiction of the English Courts.

24 Miscellaneous

- 24.1 If any provision of the Agreement is invalid, illegal or incapable of being enforced by reason of any rule of law or public policy, that provision shall be severed; all other provisions of the Agreement shall remain in full force and effect.
- 24.2 No failure or delay by Post Office Ltd in requiring performance by the Operator of any provision of the Agreement shall in any way affect the right of Post Office Ltd to enforce such provision. The waiver by Post Office Ltd of any breach of any term of the Agreement shall not be taken or held to be a waiver of any further breach of the same or any other term.
- 24.3 The rights and remedies provided by the Agreement are cumulative and (except as otherwise provided in the Agreement) are not exclusive of any rights or remedies provided by law.
- 24.4 If there is any inconsistency between the Conditions of Appointment, the Standard Conditions and the Manual (in its current form as at the date of the Agreement), then the following order of precedence shall apply:
- 24.4.1 the Conditions of Appointment;
 - 24.4.2 the Standard Conditions; and
 - 24.4.3 the Manual.
- 24.5 If there is any inconsistency between:
- 24.5.1 the Agreement; and
 - 24.5.2 any amendment to the Manual after the Commencement Date,
- then such amendment shall prevail.
- 24.6 Where in the Agreement there is reference to any matter to be specified by Post Office Ltd, notice of such specified requirements may be communicated by way of amendment or addition to the Manual. In any event, such notice shall be in writing but may be sent or published using electronic means.
- 24.7 If any one or more of the terms of the Agreement is held to be invalid or unenforceable by a Court of competent jurisdiction but would be valid if part of the wording was deleted then the term(s) shall apply with the minimum modifications necessary to make them valid and effective. It is intended and understood by the Parties that any invalidity or unenforceability will not affect the application of the remaining obligations in the Agreement.

25 Interpretation

- 25.1 In the Agreement unless the context requires otherwise:
- 25.1.1 words denoting the singular include the plural and vice versa and words denoting any gender include every gender;
 - 25.1.2 references to a **person** include any corporate or unincorporated body;
 - 25.1.3 the headings in the Agreement do not affect its interpretation;
 - 25.1.4 the terms **including, include, in particular** or any similar expression shall be construed as illustrative and not limiting;

- 25.1.5 unless otherwise specified, a reference to a statutory provision is a reference to that provision as amended, consolidated, extended or re-enacted from time to time (whether before or after the date of the Agreement) and to any subordinate legislation made under it.

PART 3 – FINANCIAL DETAILS

1 Fees Booklet

- 1.1 The Fees Booklet (and the Products, Services and Fees referred to in it) may be varied by Post Office Ltd at any time by an amendment or addition to the Fees Booklet or otherwise by written notification by Post Office Ltd to the Operator, provided that the terms of any such variation are reasonable. Any such amendment or addition to the Fees Booklet shall take effect on the date set out in the notification to the Operator, and it is acknowledged that any such change may take effect immediately.
- 1.2 The Operator acknowledges that it shall not be entitled to receive any compensation or other sums in the event of any variation to the Fees Booklet (and the Products, Services and Fees referred to in it).
- 1.3 Those Products and Services listed in the Fees Booklet and marked with an asterisk (*) (**Direct Sale Products and Services**) are those in respect of which either:
- 1.3.1 sales cannot be concluded in the Branch by the Operator and/or its Assistants but can only be concluded as a result of Customers subsequently contacting internet websites or call centres operated on behalf of Post Office Ltd; or
- 1.3.2 (where Post Office Ltd has specified this to the Operator in writing in respect of any Direct Sale Product or Service), sales can be concluded both in the Branch and as a result of Customers subsequently contacting internet websites or call centres operated on behalf of Post Office Ltd.

In relation to Direct Sale Products and Services, the references in the Fees Booklet to "per Transaction", "per policy", "per bond", "per £1 sales", "per loan" etc. are references to the actual conclusion of the sale of the relevant Direct Sale Product or Service, whether through such websites or call centres or (where Post Office Ltd has specified in accordance with clause 1.3.2 of this Part 3) in the Branch, and do not refer merely to any introduction of Customers to the Direct Sale Product or Service made by the Operator or its Assistants in the Branch.

- 1.4 Provided that the Operator complies with the Agreement, Post Office Ltd will pay the Operator the Fees as follows:
- 1.4.1 the Fees payable in respect of each Transaction (or series of Transactions) of Direct Sale Products and Services which is attributable to an introduction made by the Operator or its Assistants, shall be paid no later than 3 calendar months following the date on which the sale of the Direct Sale Product or Service is concluded;
- 1.4.2 the Fees payable in respect of each Transaction (or series of Transactions) of all Products and Services conducted using a Horizon, paystation™ or other terminal shall be paid by the end of the calendar month following the Accounting Period in which the relevant Transaction (or series of Transactions) took place.

For the avoidance of doubt, and without prejudice to any provision in the Fees Booklet, Post Office Ltd shall not pay any Fees to the Operator in respect of any Transaction which Post Office Ltd reasonably believes to have been

undertaken by the Operator (or any Assistant) with a view to artificially inflating the Fees (and where such Fees have already been paid by Post Office Ltd, Post Office Ltd shall be entitled to deduct an equivalent amount from any future payment due to the Operator).

- 1.5 Unless otherwise specified in the Preface with regard to the Fees in the first and second Accounting Periods following the Start Date:
 - 1.5.1 the amount of Fees payable from the Start Date shall be a variable monthly payment, calculated on a "per Transaction" basis in accordance with clauses 1.4.1 to 1.4.2 of this Part 3 and in accordance with the Fees Booklet; and
 - 1.5.2 the Operator shall not be entitled to receive Fees after the date of termination of the Agreement for Transactions carried out during the last one (1) Accounting Period of the Term. The Operator acknowledges that this is reasonable in view of either the First Fees Payment(s) made by Post Office Ltd to the Operator in accordance with the Preface (if any), or the Fees otherwise paid to the Operator by Post Office Ltd in the first two calendar months of the Term in respect of Transactions carried out at the Branch by the previous operator prior to the Start Date. The Operator may receive Fees in the last calendar month during the Term for Transactions carried out in preceding Accounting Periods.
- 1.6 If the Operator is an individual who is treated by HMRC as an "office holder" for tax purposes, the Fees and other payments due to the Operator shall be subject to PAYE, national insurance contributions and any other applicable taxes (together the **Taxes**), which Post Office Ltd shall deduct as required by law. Post Office Ltd shall periodically provide the Operator with the details of the Fees and other payments due to the Operator and the Taxes deducted by Post Office Ltd.
- 1.7 If the Operator is not registered for VAT on the Commencement Date and is subsequently required to register for VAT he shall do so and shall notify Post Office Ltd of the registration in a timely manner. If the Operator fails to register for VAT when required to do so or fails to promptly notify Post Office Ltd of his VAT registration, the Operator, and not Post Office Ltd, shall be responsible for the value of any claim from HMRC for VAT on the payments made to the Operator under the Agreement and the Operator shall reimburse Post Office Ltd on demand and in full in respect of any such claim.
- 1.8 Where the Operator is registered for VAT, the Fees are exclusive of any VAT (which shall be payable by Post Office Ltd in addition where applicable).
- 1.9 Unless the Fees are subject to the Taxes, Post Office Ltd and the Operator agree that a self-billing arrangement will operate in respect of the Fees due under the Agreement. Therefore the Parties agree that:
 - 1.9.1 Post Office Ltd will issue self-billing invoices showing the Operator's name, address and VAT registration number (where applicable), together with all other details which constitute a full VAT invoice, for the Fees due to the Operator;
 - 1.9.2 the Operator will accept each self-billing invoice raised by Post Office Ltd and agrees not to raise VAT invoices for Fees due to it under the Agreement;
 - 1.9.3 the Operator shall promptly notify Post Office Ltd if it becomes aware of any error in the amount of VAT (if any) shown on any self-billing invoice produced by Post Office Ltd;

- 1.9.4 the self-billing arrangement will continue until the termination of the Agreement;
- 1.9.5 Post Office Ltd will inform the Operator if the issue of self-billing invoices is to be outsourced to a third party;
- 1.9.6 the Operator will provide Post Office Ltd with its VAT registration number and will notify Post Office Ltd immediately if it changes its bank details, changes its VAT registration number, becomes VAT registered, ceases to be VAT registered, or sells the Basic Business or part of the Basic Business;
- 1.9.7 the Operator is responsible for accounting to HMRC for the output VAT (if applicable) shown on each self-billing invoice produced by Post Office Ltd.

2 Training costs

- 2.1 The cost of the initial training referred to in clauses 2.3A, 0 and 2.5 of Part 2 shall be met by Post Office Ltd in accordance with those clauses. The cost of all other training provided by or on behalf of Post Office Ltd in respect of the Branch shall be met by the Operator. Such cost shall be as notified to the Operator at the time and shall be payable by the Operator to Post Office Ltd within 7 days of receipt of an invoice.

3 Repayment of Set Up Costs

- 3.1 The Operator acknowledges and agrees that certain set up costs were incurred by Post Office Ltd under the agreement with the previous operator for the equipment and fit out works for the conversion of the Branch to the Main operating format.

- 3.2 If the Agreement is terminated at any time prior to, or within three years of the Original Conversion Date, then unless:

- 3.2.1 the termination of the Agreement was by Post Office Ltd in accordance with clause 16.1.1 of Part 2; or

- 3.2.2 a New Operator is appointed by Post Office Ltd at the Branch Premises,

the Operator shall, if required by Post Office Ltd, on demand, pay to Post Office Ltd a proportion of the Set Up Costs that were incurred by Post Office Ltd in respect of the conversion of the Branch to the Main operating format.

- 3.3 For the purposes of this clause 3, **Set Up Costs** means the amount specified in the Preface being part of the costs incurred by Post Office Ltd in converting the Branch to the Main operating format prior to the Operator being appointed by Post Office Ltd to operate the Branch.

- 3.4 The amount to be paid under clause 3.2 shall be calculated by pro-rating the Set Up Costs in the same proportion as the number of days from the date of termination to the third anniversary of the Original Conversion Date bears to the total number of days from the Start Date to the third anniversary of the Original Conversion Date. Post Office Ltd will notify the Operator in writing of the pro-rated amount owed. For the avoidance of doubt, where the Agreement is terminated prior to the Start Date, or prior to Post Office Ltd notifying the Operator of the Start Date in accordance with the Preface, the Operator shall repay any Set Up Costs to Post Office Ltd in full.

4 Restriction on requesting a model review

- 4.1 The Operator may not request a model review of the Branch to assess the potential for conversion to a Local Post Office Branch within 1 year of the Start Date.

5 Recovery of sums due

- 5.1 If the Operator at any time owes any money to Post Office Ltd under the Agreement or any other contract or agreement, Post Office Ltd may deduct such money from any amount due to the Operator under the Agreement or any other contract or agreement between Post Office Ltd and the Operator, including from the Fees

PART 4 – EQUIPMENT FOR A MAIN BRANCH

1. The Operator will provide the Operator Equipment for the Branch.
2. Post Office Ltd will loan to the Operator the Post Office Ltd Equipment for the Term for use in the Branch, subject to the Operator complying with its obligations in this Part 4.
3. The responsibility of each of the Parties for procuring and maintaining each item of Equipment and whether (in the absence of a written notice from Post Office Ltd to the contrary) an item of Equipment is to be returned or delivered up to Post Office Ltd or at its direction to a New Operator or Post Office Ltd's supplier on the termination of the Agreement is summarised in Appendix 1 to the Preface.
4. Post Office Ltd may from time to time after the Commencement Date add or remove items of Equipment for use in the Branch in Appendix 1 of the Preface by issuing a Notice to Amend in accordance with clause 21.2 of Part 2 but the obligations to maintain and/or repair any item of Equipment in Appendix 1 as at the Commencement Date shall not be varied. Post Office Ltd shall be responsible for the cost of supplying and maintaining any such additional items of Equipment.
5. The Post Office Ltd Equipment shall at all times remain owned or controlled by Post Office Ltd. The Operator shall safeguard all Equipment and keep it in good condition (fair wear and tear excepted) in accordance with the Manual (including any ancillary items supplied with the Equipment, for example keys to the safe). The Operator shall be liable for any loss of, or damage to, any Equipment where Post Office Ltd reasonably believes such loss or damage is the result of any negligence by the Operator, his Personnel or otherwise or any breach of the Agreement, wilful default, error or criminal act of the Operator or any Personnel.
6. Where Appendix 1 of the Preface so specifies, the Operator shall be responsible for arranging and ensuring all repairs and maintenance of, and shall observe all statutory obligations and regulations in respect of the operation of, the relevant item of Equipment. Post Office Ltd will maintain the Horizon equipment and Post Office Ltd shall be responsible, at its cost, for repairing inherent defects in any other item of the Post Office Ltd Equipment which are not caused by the act or omission of the Operator or its Personnel.
7. The Operator shall:
 - 7.1 unless otherwise agreed by Post Office Ltd in writing, ensure that all Post Office Ltd Equipment is used exclusively for the operation of the Branch but the Operator may use the bidi safe for the Basic Business as well as the Branch but only in relation to small amounts of cash, on a short term basis and at the risk of the Operator;
 - 7.2 not move any item of Post Office Ltd Equipment (other than items which are intended to be moved as part of their day to day use or for the purposes of maintenance and repair) without the prior written permission of Post Office Ltd. The Operator shall be responsible for the cost of moving any Equipment where such move is at the Operator's request or is necessary to comply with legislation or regulatory requirements, unless Post Office Ltd agrees in writing,

- at its sole discretion, to contribute to such costs. Post Office Ltd shall be responsible for the cost of moving the Equipment where such move is at Post Office Ltd's request;
- 7.3 be responsible for the continued operation of all Equipment throughout the Term and shall ensure that any Assistants are trained in basic operations (provided that the Operator shall only be required to train its Assistants to the same and not a higher standard than the standard off training received by the Operator from Post Office Ltd), replenishment of consumables and follow security procedures. The Operator is responsible for reporting system faults and failures to the appropriate helpline promptly and for ensuring resolution of such faults.
 8. As part of the Post Office Ltd Equipment, in addition to the Horizon equipment, Post Office Ltd may from time to time loan the Operator (and the Operator shall accept) one or more paystation™ terminals for use in conducting Transactions, and/or additional terminals or self-service equipment (together referred to as **the PO Terminals**). Post Office Ltd will discuss with the Operator the position within the Branch Premises where the PO Terminals are to be located, but, in the absence of agreement, Post Office Ltd (acting reasonably) will determine such location. Where Post Office Ltd does provide PO Terminals, the Operator shall ensure that they are used solely to conduct Transactions. Post Office Ltd will arrange (whether directly or through the Operator) for the PO Terminals to be installed at the specified location.
 9. The Operator grants to Post Office Ltd, its agents and employees an irrevocable licence at any time during the opening hours of the Branch Premises, or at any time in the case of an emergency, during the Term or any time following the termination of the Agreement, to enter any premises or vehicle where the Post Office Ltd Equipment is or may be kept for the purpose of inspecting it or recovering it.
 10. Post Office Ltd will supply certain consumables (being those which can be ordered via Horizon for use in the Branch) in reasonable quantities free of charge to the Operator. Any such supply shall be subject to such conditions as Post Office Ltd may determine and Post Office Ltd may limit or withdraw such supply at its discretion.
 11. Any consumables which are supplied to the Operator free of charge by Post Office Ltd or on Post Office Ltd's behalf must only be used in the operation of the Branch and must not be resold or transferred to a third party. Where the Operator has surplus consumables it should advise Post Office Ltd of this fact and, as appropriate, arrange with Post Office Ltd for the return of the excess quantity.
 12. Where there is a dedicated official telephone line at the Branch Premises, which is used in the operation of the Branch, the Post Office Ltd split billing policy (as contained in the Manual or otherwise notified to the Operator from time to time) shall apply in respect of such official telephone line. If Post Office Ltd determines that a second telephone line (which is in addition to the one provided by Post Office Ltd) is required in order to operate the Branch, such second telephone line shall be arranged by the Operator but will be paid for by Post Office Ltd unless Post Office Ltd determines that such second telephone line is only needed because the Operator is using unnecessary equipment on the first telephone line which has not been approved by Post Office Ltd.
 13. Approval of fixtures and fittings and equipment
 - 13.1 The Operator shall use only fixtures and fittings in the operation of the Branch as shall have been previously approved in writing by Post Office Ltd.

- 14.2 Post Office Ltd will, at its discretion, provide the Operator with Post Office internal and external branding and point of sale equipment (including display units and leaflet dispensers) for use at the Branch Premises. Post Office Ltd may require the Operator to renew or replace internal and external Post Office signage and the point of sale equipment at the Branch Premises at the Operator's cost but shall not impose such a requirement more frequently than once every 5 years.

If there is any dispute, the authentic text of the Manual shall be the copy or copies kept by Post Office Ltd at its head office. The Manual shall at all times remain the property of Post Office Ltd.
 - 1.3 Post Office Ltd may amend the list of documents set out in this Part 5 and amend the contents of any manual or documents on that list by giving written notification (which may be by electronic means) to the Operator, provided that the terms of any such amendments are reasonable. In the Agreement, unless otherwise specified, a reference to the Manual is a reference to it as amended, consolidated or extended by Post Office Ltd from time to time.
 - 1.4 The Operator shall operate the System properly so as to achieve the performance standards in accordance with the provisions of the Manual current from time to time. The Operator shall not make use of the Manual for any purpose other than for the operation of the Branch. The Operator shall ensure that its copy of the Manual is kept up to date at all times, subject to Post Office Ltd complying with its obligations in clause 1.2 of this Part 5.
 - 1.5 In addition to the Manual, Post Office Ltd may issue to the Operator instructions which deal with various classes of Products and Services to be transacted at the Branch and the design and operational standards required to run the Branch.
 - 1.6 All such instructions must be complied with immediately (unless otherwise notified by Post Office Ltd) and must be kept up to date by incorporation of updates issued by Post Office Ltd. They must be carefully studied by the Operator, its Manager and Assistants. No breach of instructions will be excused on the grounds of ignorance.

PART 6 – NON-COMPETE RESTRICTIONS AND HOW THEY AFFECT BRANCH PREMISES

- A. During the Term of the Agreement, the following provisions shall apply.
 - 1.1 The appointment of the Operator gives the Operator the right to transact, and to receive payment for, certain items of business on behalf of Post Office Ltd. The conditions of the appointment also involve such non-compete restrictions on the private activities of the Operator in relation to the Branch Premises as are fundamental and necessary to ensure the continued viability of the Network.
 - 1.2 It is important to the future of the Network that all operators support Post Office® products and services. An operator who offers products or services in its private retail business from the Branch Premises which compete with Post Office® products and services can reduce the revenue generated by the Branch and the Network. This revenue is essential to provide a contribution to Post Office Ltd's fixed costs of maintaining the Network. Without this contribution, Post Office Ltd might not be able to sustain the Network. It is therefore also in the interests of all operators to support this principle.
 - 1.3 It is also in the interests of all operators that Post Office Ltd is able to seek and negotiate business opportunities for the whole Network and that it does not allow Clients or suppliers to enter into arrangements directly with selected Post Office® branches only to the disadvantage of the rest of the Network. This

would adversely affect Post Office Ltd's ability to maintain the Network as a whole.

- 1.4 Operators benefit from being part of the Network. In addition to payments which operators receive from Post Office Ltd, Post Office Ltd invests in advertising that brings Customers into Post Office® branches, it ensures that Post Office® products and services meet regulatory requirements and it provides customer and business services such as helplines to support operators.
- 1.5 Accordingly, except as permitted by and in compliance with any waiver granted by Post Office Ltd in accordance with clause 1.11 of this Part 6, the Operator must not undertake in a private capacity, or allow anyone else to undertake in relation to the Branch Premises, the types of business listed in clause 1.6 of this Part 6, as amended by Post Office Ltd from time to time in accordance with clause 1.8 of this Part 6.
- 1.6 The non-compete restrictions on private business activities in relation to the Branch Premises are as follows:
 - (i) business concerned with the provision of services relating to the collection, conveyance and/or delivery of letters, parcels and packages (collectively called "Packets" in this clause) including without prejudice to the generality of the foregoing: the sale of stamps, pre-paid postage labels and stationery with prepaid postage; the acceptance, retention, sortation, return and redirection of Packets (including Packets containing mail order or other home shopping goods and other Packets); and the acceptance of payment for such services;
 - (ii) services for the payment of bills, the collection of payments (including pre-payments) or the collection of revenue (whether by the sale of stamps or meter tokens, the charging of budget keys or by other means) in connection with services for the supply of water, gas, fixed line telephones, electricity, cable or satellite television, or local authority services;
 - (iii) the sale of National Lottery products;
 - (iv) Banking, Building, Industrial and Provident Society, Friendly Society or Credit Union business or otherwise making available banking facilities including, without limitation, cheque-cashing, bureau de change (including the selling and buying back of currency, on demand and pre-order services), collecting deposits or providing withdrawal facilities on behalf of deposit-takers whether over-the-counter or through an automated teller machine (ATM) or providing loans, credit cards or other forms of credit or credit brokerage services but not including the provision of cash-back transactions or the provision of basic saving stamp schemes which do not involve the return of cash to participants in the scheme. For the avoidance of doubt, a cash-back transaction is the withdrawal of cash via a debit card scheme, from the account associated with the card used, as part of a transaction for the purchase of goods or services through the same scheme; and
 - (v) any financial services business or otherwise making available facilities which may compete with the financial services activities carried on or to be carried on by operators at any time for or on behalf of Post Office Ltd or through Post Office® branches or which may compromise the regulatory status of Post Office Ltd (including for this purpose, its operators) in its role as appointed representative of Post Office Ltd's financial service product providers, including, for the avoidance of doubt, the promotion of competing financial services but not including the provision of basic savings stamps schemes which do not involve the return of cash to participants in the scheme.

- 1.7 These non-compete restrictions apply to all methods of transaction of the areas of business set out above. This includes, without limitation, the use of smartcards, ATMs and on-line terminals.
- 1.8 The categories of business listed in clause 1.6 of this Part 6 constitute the current non-compete restrictions but Post Office Ltd reserves the right to review these restrictions in the light of changing business requirements, varying them if necessary. All operators will be given at least 12 months' notice in writing of any such changes. No restrictions will be introduced on products or services other than Key Products and Services, as defined in clause 1.9 of this Part 6.
- 1.9 Key Products and Services are the core products and services offered by Post Office Ltd. The Key Products and Services are:
 - (i) Letters, parcels and packages services of any kind and related services;
 - (ii) Services for the payment of bills, collection of payment or collection of revenue;
 - (iii) National Lottery products;
 - (iv) Banking services, including bureau de change;
 - (v) Financial services;
 - (vi) National Savings and Investment products;
 - (vii) Money transfer services;
 - (viii) Postal orders;
 - (ix) Savings stamps;
 - (x) Benefits' distribution and Government services;
 - (xi) Motor vehicle and driver licensing services and other motorist services;
 - (xii) Telephony products and services;
 - (xiii) Travel ticketing and travel passes; and
 - (xiv) Television licensing services.

Post Office Ltd reserves the right to amend this list of Key Products and Services from time to time. No new products or services will be introduced to this list which are not current or future key sources of revenue and/or contribution for Post Office Ltd.
- 1.10 If the Operator is considering taking up a new private retail business opportunity which may fall within the scope of the non-compete restrictions specified in clause 1.6 of this Part 6, it should, before taking up any such business, inform Post Office Ltd of the circumstances and seek advice as to whether the work concerned falls within the restrictions described above.
- 1.11 The Operator may apply for a waiver from the non-compete restrictions in clause 1.6 of this Part 6. Post Office Ltd's waiver policy is available on request from Post Office Ltd. The waiver policy sets out the circumstances in which a waiver may be granted and the procedures that must be followed. This policy is subject to amendment by Post Office Ltd from time to time. If a waiver is granted subject to conditions, the Operator must comply with these conditions. A failure to do so will result in the waiver being invalid from the date the Operator ceased to comply with the conditions.
- 1.12 The Operator must not use and must ensure that no third party uses the name "Post Office" in connection with any of its private business activities (or the private business activities of a company with which it is associated in any way) or in such a way as to imply that Post Office Ltd is in any way connected with these activities. Nor may the Operator transact any private business in a way

that might lead Customers to conclude that Post Office Ltd is in any way connected with that business.

1.13 The Operator must not engage Post Office Group employees to undertake any work whatsoever connected with the Operator's private business (or the private business activities of a company with which it is associated in any way) at any time when they are employed in Post Office Ltd or Post Office Group duties.

1.14 The Operator shall promptly inform Post Office Ltd of any approach or enquiry made directly by a third party (including any Client or supplier of Post Office Ltd) concerning the Products or Services or any similar products and services.

B. For the period of 12 months following the date of termination of the Agreement the Parties shall continue to be bound by the provisions of clauses 1.5 to 1.7 (inclusive) of section A of this Part 6.

C. The Operator warrants and represents that on and from the Commencement Date, it shall have no contractual or other obligations to any third party which would or may be breached by entering into and/or performing any of its obligations under this Part 6. As a condition of this Agreement, the Operator undertakes to ensure that the warranties and representations in this section C are and shall remain true throughout the Term.

PART 7 – BRANCH PREMISES

The following clauses shall apply in respect of the Branch Premises.

1. Obligations relating to the Branch Premises

1.1 The Operator shall at its own cost and expense:

1.1.1 operate the Branch from the Dedicated Post Office Counter Positions and such other area(s) within the Branch Premises in the locations shown on the plan in Appendix 3 of the Preface including but not limited to the Dedicated Post Office Area or in the absence of a plan as described in Appendix 3 of the Preface;

1.1.2 without prejudice to the Operator's obligations to comply with the EA and other applicable legislation, provide and maintain a Dedicated Post Office Area together with such additional space and accommodation at the Branch Premises for the operation of the Branch as is necessary to ensure a high standard of customer service (including allowing sufficient space for Customers to queue and be served comfortably, sufficient space for shelving and leaflet dispensers to enable materials relevant to the Branch to be held and/or displayed both behind and in front of the area of the counter used for the Branch) or as may be required by Post Office Ltd;

- 1.2 The Operator shall not alter or convert the Branch Premises or the Branch in any way without the prior written consent of Post Office Ltd (such consent not to be unreasonably withheld or delayed) and any necessary planning, by-law or other consents, such as planning permission, building regulations consent or other building or planning consent. Each such alteration or conversion shall be carried out only in accordance with plans, drawings and specifications previously submitted to and approved by Post Office Ltd (such approval shall not be unreasonably withheld or delayed). The detailed preparation of such plans, drawings and specifications and the day to day or immediate supervision by an architect or surveyor shall be the responsibility and at the expense of the Operator.
 - 1.3 If any part of the Branch Premises contains residential accommodation (whether as at the Commencement Date or at any later time), the Operator shall notify Post Office Ltd, together with details of the occupier (where this is not the Operator). If the Operator ceases to occupy the residential accommodation or if at any time it becomes vacant, the Operator shall immediately notify Post Office Ltd in writing.
 - 1.4 Where the Preface contains the Precondition the Operator must, from the date specified in clause 1.1 of that Precondition, and for the duration of the Term, maintain a Valid Property Interest in the Branch Premises. Where the Preface does not contain the Precondition, the obligation on the Operator to maintain the Valid Property Interest shall be with effect from the Commencement Date and for the duration of the Term. Any breach of this obligation shall be a material breach of the Agreement for the purposes of clause 16.2.1 of Part 2 of these Standard Conditions.
