Dear [Redacted],

Freedom of Information Request – FOI2025/00027

We are writing in response to your email received by Post Office Limited (“**Post Office**”) on 14 January, which has been dealt with under the terms of the Freedom of Information Act 2000 (“**FOIA**”).

In your email, you have requested the information shown verbatim in bold below:

“I would like to make a freedom of information request.

I am doing a research project investigating call-off contracts in the public sector. I have identified several potential call-off contracts awarded by the Post Office, but I can't find details of the framework agreements they were awarded from.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Further framework info") is where I am missing information. Please could you provide the name of the specific framework agreements or DPS agreements used here. If there is any further info which you think would help me locate the framework agreements (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely-used reference number such as CCS's RM codes), please use the final column for this.

Please note that I have identified these contracts as possible call-off contracts, so some of them might not be. Some could be, for instance, procured directly (without being called off from a framework agreement), or could be themselves

notices of the establishment of a framework agreement. Therefore I would kindly ask you to specify in these incidences what kind of procurement was used in the "Title of framework used" column.

I have provided the title, description, the publication date, and procedure type used to award each potential call-off, as well as a URL link to the call-off in question and a unique reference ID for each potential call-off. Please let me know if there is anything else you need to complete the request."

We can confirm that Post Office holds the information you have requested. Please find attached spreadsheet, titled "FOI2025_00027 Response Attachment.xlsx", which contains the information which you have asked for.

If you are dissatisfied with the handling of this response, you do have a right to request an internal review.
