Dear Mr. Brocklehurst (CEO),

**Subject: Urgent: Sudden closure** [REDACTED]

I am writing to you as a Liverpool City Councillor for the Gateacre and Woolton area to seek immediate clarification regarding the sudden and unexpected closure [REDACTED] Post Office branch [REDACTED] which many of my constituents rely on.

We have received no prior warning [REDACTED]. My constituents have been met only with a vague notice stating the branch is "temporarily closed until further notice" due to "operational reasons."

This situation has caused significant shock and disruption for people looking to access Post Office services.

The official statement of "operational reasons" is, in my opinion, inadequate for a service failure of this magnitude.

Therefore, I would appreciate a response to the following questions:

1. What is the specific, detailed "operational reason" for this [REDACTED]  
[REDACTED]?
2. Why was no prior warning given to Liverpool City Council, local councillors, local Members of Parliament, or the public?
3. What specific steps are being taken, right now, to rectify this situation and reopen [REDACTED]  
[REDACTED]
4. What is the clear, estimated timeline for the reopening [REDACTED]  
[REDACTED]

I trust you will understand the urgency of this matter. I look forward to your prompt reply so that I can provide my constituents with the clear answers they deserve.

Yours sincerely,

**Councillor Kris Brown**  
**Liverpool City Council**

Dear Bill,

Thank you for your patience, and my apologies for the delay in providing this information. As the closure was unplanned, we were unable to issue advance notifications.

Please find attached a copy of the customer letter that will be sent regarding the branch closure. I will continue to keep you informed of any developments and progress toward reopening.

If you have any questions or need further details, please don't hesitate to get in touch.

In response to your email this morning, I'll just gently point out that you haven't previously told me that you are "preparing customer communications that should be sent out shortly."

[REDACTED]

Please can you send me the customer communications ahead of it being sent out more widely so that I am in a position to serve my constituents and address what is the cause of a very serious and growing concern among many people.

Thank you for your assistance.

Dear [REDACTED] & all

[REDACTED] – I've copied you in [REDACTED]. [REDACTED]

Also there is interest in a temp taking on [REDACTED] might re-open around 18 November, which would be great, as at one point they didn't think that they would be able to re-open [REDACTED] until January. Fingers crossed that this can be achieved before Christmas as trainer capacity is very stretched.

Branch finder was changed on Saturday [REDACTED] [REDACTED] which will help customers when trying to work out when to visit.

Dear Bill

The post office at Little Altcar (77 Liverpool Road L37 6BU) is the nearest alternative branch and is 0.7miles from the Formby branch.

The opening times for this branch are on our website [Little Altcar Post Office® | Merseyside | L37 6BU](https://www.postoffice.co.uk/branch/merseyside-l37-6bu)

In confidence we are working to restore service at Formby with a temporary postmaster stepping in to run the branch, but this can take some time and is dependent on us finding a willing postmaster. It's unlikely that the branch will reopen this side of Christmas I'm afraid, but we will work as quickly as we can to find a solution.

My colleague @ [REDACTED], [REDACTED] for the north of England, [REDACTED] [REDACTED] but will share an update with you as soon as we have plans confirmed to restore the service.
