Dear [REDACTED],

Freedom of Information Request – FOI2025/00263

We are writing in response to your email received by Post Office Limited (**“Post Office”**) on 16 April, which has been dealt with under the terms of the Freedom of Information Act 2000 (**“FOIA”**).

In your email, you have requested the information shown verbatim in bold below:

“Under the freedom of Information act, please provide me with the details of the independant business managing your CCTV.”

We can confirm that Post Office does hold the information you have requested.

Post Office’s security contractor is Kings Secure Technologies, who manage CCTV on behalf of Post Office. This does not include CCTV systems for independently managed Post Office branches. Should an independently managed Post Office branch choose to have a CCTV system installed, this is managed directly by the branch rather than by Post Office. This means Post Office do not own or control the CCTV system.

If you are dissatisfied with the handling of this response, you do have a right to request an internal review. You can do this by writing to the address above within 40 working days of receipt of this response stating your reasons for your internal review request or alternatively, by emailing information.rights@postoffice.co.uk.

If, having requested an internal review by Post Office, you are still not satisfied with our response you also have a right of appeal to the Information Commissioner at:
